## WIS 167 - Mequon Rd. Country Aire Drive Intersection ROAD CLOSURE AND DETOUR ROUTES

Scott Walker, Governor  
Dave Ross, Secretary  
Internet: [wisconsindot.gov](http://wisconsindot.gov)  
Telephone: (262) 548-5903  
E-Mail: [ser.dtsd@dot.wi.gov](mailto:ser.dtsd@dot.wi.gov)

The intersection of WIS 167 and Country Aire Drive was closed to traffic on Monday July 9th to facilitate roadway reconstruction and replacement of railroad crossings. Through traffic is detoured. The posted detour route uses WIS 145, WIS 100 (Brown Deer Rd.) and WIS 181 (Wauwatosa Road). The intersection will remain closed until mid to late October. Local alternate routes are also available.

## WIS 167 - Mequon Rd. Country Aire Drive Intersection Local Road Alternate Access

Scott Walker, Governor  
Dave Ross, Secretary  
Internet: [wisconsindot.gov](http://wisconsindot.gov)  
Telephone: (262) 548-5903  
E-Mail: [ser.dtsd@dot.wi.gov](mailto:ser.dtsd@dot.wi.gov)

During the closure of the WIS 167 and Country Aire Drive intersection, access within the project limits will be provided only for emergency vehicles and residents/businesses located within the project limits. **The Wisconsin Central Ltd. Railroad crossing will be closed permanently and only available for contractor and emergency vehicle access.** For construction safety and efficiency, the department requests that residential and business traffic utilize the nearest adjacent route to access properties within the construction zone. (ie. if your property is located on the south leg of the intersection —please access from the south, if your property or business is on the east leg of STH 167—access from the east). The department appreciate the patience of the adjacent local community as our contractor works to safely complete construction while working to maintain passable conditions to allow access to adjacent property.
